Stainless Steel Control Panels

DESCRIPTION

Heavy duty industrial control panels fabricated from stainless steel.

We can laser cut panels to your specifications and then either laser etch the details or engrave and paint fill.

If you need help with the design then we can provide detailed drawings fully dimensioned from our in house design department.

TECHNICAL DETAILS

High definition laser etched or engraved and paint filled.

Various thicknesses available

Satin finish

MATERIALS AVAILABLE

- Marine grade stainless steel
- Satin finish

COLORS

- Laser etched in black. Engraved and paint fill multiple colours.
